## CASAJUANA TEMPRANILLO MERLOT

<b>Alcoholic strength:</b>	14% vol.
<b>Grape variety:</b>	Tempranillo 50%, Merlot 50%
<b>Appellation:</b>	D.O.P. La Mancha
<b>Ageing:</b>	Fermentation ending in American oak barrels for two months.
<b>Producer:</b>	Bodegas Centro Españolas, S.A.
<b>Vineyards location:</b>	Tomelloso surroundings

### Sensorial tasting:

Attractive and deep cherry red colour with purple trimming.  
It is fine in the nose, full of scents, with many spicy hints and ripe red fruits such as blackberry and redcurrant, and a wood hue that makes it complex.  
In mouth it is meaty and lively, very fruity (liquorice, blackberries) with clear and well integrated tannins and a great balance.  
A very original wine; with a long, spicy and ample ending.

<b>Temperature of service:</b>	14 - 16 °C
<b>Food pairing:</b>	Trout, salmon, rabbit with red wine sauce, grilled lamp.

2014
